

Amy Studt, Little Girl

Sometimes, I feel
You're not listening
Sometimes, I feel
You don't understand
But I think I've
Got the answer
Already, know what you're gonna say
Chorus-
Cause' I'm Just a little girl you see
But there's a hell of a lot more to me
Don't ever underestimate what I can do
Don't ever tell me how I'm meant to be
You say I'm just a little girl, just a little girl
How can I compare?
What do I know?
What have I got to share?
But there's nothing in this world, nothing in this world
That can hold me down
Can't you hear me
Don't you understand
That I wanna be myself, wanna be the girl
I wanna be the one
That you can rely on
Oh I wish that you could see all the misery
How I long to hear
That you take me for who I am
Chorus x2
Sometimes, I feel
You're not listening
Sometimes, I feel,
You don't understand
Chorus x2
