

Amy Winehouse, He Can Only Hold Her

Woah-oooh
Ooh, woah ooh

He can only hold her for so long
The lights are on but no one's home
She's so vacant
Her soul is taken
He thinks "What's she running from?"

Now how can he have her heart
When it got stole?
So he tries to pacify her
Cuz what's inside her never dies

Even if she's content in his warmth
She is plagued with urgency
Searching kisses
The man she misses
The man that he longs to be

Now how can he have her heart
When it got stole?
So he tries to pacify her
Cuz what's inside her never dies

So he tries to pacify her
Cuz what's inside her, it never dies

So he tries to pacify her
But what's inside her never dies
