

# Amy Winehouse, Help Yourself

When I walk in your shoes  
I understand a man confused  
There must have been but I don't care  
I feel the way your soul does there  
Darling they empathise  
Looking through your bloodshot eyes  
And I know you're so frustrated  
Above we all become what we once hated  
Be slight nobody can be that wise

I can't help ya if you won't help yourself  
I can't help ya if you don't help yourself  
You can only get so much from someone yeah  
You can get so much from me  
I can't help ya if you won't help yourself

You've got a degree a in philosophy  
So you think you're cleverer than me  
But I'm not just some drama queen  
Cos it's where you're at not where you've been  
So what do you expect from me  
To hold your head above the sea  
And there are you even though you're bigger  
Cos don't you know you crush my tiny figure  
And anyway we're still so young  
And this isn't yet the day

I can't help ya if you won't help yourself  
I can't help ya if you don't help yourself  
You can only get so much from someone yeah  
I can't help ya if you won't help yourself

You might be twenty-five but in my mind  
I see you at sixteen years or most of the time  
And I'm just a child and you're full grown  
And no I'm nothing like I've ever known yeah  
I'm nothing like I've ever known
