

Amy Winehouse, Take The Box

Your neighbours were screaming
I don't have a key for downstairs, so I punched all the buzzers hoping you wouldn't be there
So now my head's hurting
You say I always get my own way
But you were in the shower when I got there, I'd have wanted to stay, but I got nothing to say

Cos you were so beautiful before today
But then I heard what you got to say... man that was ugly

The Moschino bra you bought me last Christmas
Put it in the box, put it in the box
Frank's in there and I don't care
Put it in the box, put it in the box
Just take it
Take the box

Take the box

I came home this evening and nothing felt like how it should be
I feel like writing you a letter but that is not me you know me
Feel so f*cking angry; don't wanna be reminded of you
But when I left my sh*t in your kitchen, I said goodbye to your bedroom it smelled of you

Mr False Pretence, you don't make sense
I just don't know you
But you make me cry, where's my kiss goodbye?
I think I love you

The Moschino bra you bought me last Christmas
Put it in the box, put it in the box
Frank's in there and I don't care
Put it in the box, put it in the box
Now take it
Take the box
Just take it, take it
Take the box
And now just take the box
Take the box

Take the box
