

# Amycanbe, Down Under

When I saw you down  
Always wondering you  
Would you come with me ?  
Would you come ?

Would you come with me ?  
Would you come ?

You call me out  
From down under  
And you,  
You,  
You,  
You..

You call me out  
From down under  
And I,  
I,  
I,  
I..

Always walking alone  
In a stumbled town  
Always in  
Picking on they say

Do you know what happened then ?  
Dress myself and walk down  
Dress myself and walk down

You call me out  
From down under  
And you,  
You,  
You,  
You..

You call me out  
From down under  
And I,  
I,  
I,  
I..

Dress myself and walk down  
Dress myself and walk down  
Dress myself and walk down  
Dress myself..
