

# An Pierl, As Sudden Tears Fall

An Pierl  
Miscellaneous  
As Sudden Tears Fall  
Sometimes  
I think you're a wealthy man  
In your head  
The way you deal with regrets  
But once in a while  
Now and then  
Even you  
Get upset

In trance  
Listening to you in suspense  
Nothing else to do but your ranch-style  
Super smile  
To see through  
For a while

As sudden tears fall...

I'd like to dry them all

Since you came  
Look-a-likes are never the same  
The first born's to blame  
And I connect  
I expect recovery from what  
I detect

Yesterday  
It made a raid on me  
Strange  
I've still got this rage  
Like some stomach ball  
Striking me  
Penalty  
In my goal

As sudden tears fall...

I'd like to dry them all
