Got To Tell Me Something
GOT TO TELL ME SOMETHING by Ana

Baby
My feelings for you just can't stop
I'm willing to prove my love to you
So don't let us part
What you say what you do
Are two different things
But don't say that you love me and mess up my brain

Chorus:
(Oooo)Got to tell me something
(Oooo)Something, something
(Oooo)Got to tell me something
(Oooo)Something, something

First you say you love me and then you say you don't
(Ha ha ha ha) Tell me something
(Ha ha ha ha) tell me something
When you touch me the fire begins
And when you kiss me I want to say "I love you" again and again
What ya say and what ya do are two different things
So don't say that you love me and mess up my brain

CHORUS

I may seem confused but I just can't stop loving you
(Ha ha ha ha) Tell me something
(Ha ha ha ha) Tell me something
(Ha ha ha ha) Tell me something
(Ha ha ha ha) Tell me something
Maurice, take it to the bridge

Get ready!

(Oooo) Got to tell me something
Oooo you got to tell me something boy!
(Oooo) Tell me with all your love
