

# Ana Johnsson, Crest Of The Way

We can never know if we will fade  
Or stay strong  
We can never know what is right  
Tell me what is wrong

Off shore it the deep darkness  
Off course when your senses sharpen  
Yeah

[Chorus:]  
Let's ride the crest of the way  
Let's ride the crest of the way  
Let's ride for the rest of our days  
Let's ride the crest of this way  
Yeah

We can never know if it's here  
We belong  
We can never know if it's here  
Or if it's gone

Off centered when the world is spinning  
Makes you dizzy right in the beginning

[Chorus]

Let's just ride the crest of the way,  
yeah babe
