

Ana Johnsson, Crest Of The Way

We can never know if we will fade
Or stay strong
We can never know what is right
Tell me what is wrong

Off shore it the deep darkness
Off course when your senses sharpen
Yeah

[Chorus:]
Let's ride the crest of the way
Let's ride the crest of the way
Let's ride for the rest of our days
Let's ride the crest of this way
Yeah

We can never know if it's here
We belong
We can never know if it's here
Or if it's gone

Off centered when the world is spinning
Makes you dizzy right in the beginning

[Chorus]

Let's just ride the crest of the way,
yeah babe
