

Ana Johnston, Now It's Gone

Anything, but empty words
Give it to me, where it hurts
Anything, just tell me something true
Don't take me for, some dumb-ass flirt
You see this girl, she knows her worth
Whatever thing we never had is through
I'm no longer blinded
By stories, and lies
Clearly now I see
Right through your disguise

[Chorus]

This is how I see it
It's time to move on
You had your chance, and blew it
And now it's gone, now it's gone
This time I really mean it
Alone I'll be strong
How does it feel, to lose this?
Now it's gone, now it's gone
I know I can't go on this way
Too much time, has gone to waste
I gave my all, and ended up with you
For sure you will regret this day
I'm not some kind of girl you play
Sorry, but there's nothing you can do
Don't try to fight it
I'm cutting all ties
You don't have to like it
Again I will rise

[Chorus]

This is how I see it
It's time to move on
You had your chance, and blew it
And now it's gone, now it's gone
This time I really mean it
Alone I'll be strong
How does it feel, to lose this?
Now it's gone, now it's gone
I'm movin' on...
I'm movin'...
This is how I see it
It's time to move on
You had your chance, and blew it

[Chorus]

This is how I see it
It's time to move on
You had your chance, and blew it
And now it's gone, now it's gone
This time I really mean it
Alone I'll be strong
How does it feel, to lose this?
Now it's gone, now it's gone
I'm movin' on...
Movin' on...
I'm movin'...
Yeah...
