

Ana Johnston, One More Night

Baby It's Strange How Things Go Down
how Every Circle Comes Around
nobody Wins, Everyone Pays
you And I Standing Here Again
thinkin' About What Might Have Been
ready To Go Our Separate Ways Chorus
one More Night
we Could Have Been In Love
just One More Night
we Should Have Been In Love
i Guess We Asked More Than We Ever Gave
but I Would Give The World
baby, If I Could Save
what We Have For One More Night
funny, I Just Can't Get It Clear
where Are We Gonna Go From Here?
you Without Me, Me Without You
somehow I Pray The Days Won't End
'cause When The Darkness Comes Again
i Don't Believe I'll Make It Through
if We Could Make It Right
if I Could Turn Back Time For You And Me
baby, It Wouldn't Have To Be
