

Anadivine, Cross Your Heart

Well this never gets easier,
each second I'm further away from,
home now. Fears
the well drinks that soak my charade her
heart played ending of movies but then entail.
Ties that bind left a blanket of empty shells.

(chourus)

Cover me,
when im shivering.
Cause its cold like,
winter in upstate.
You've taken the warmth of my everyday.
Home away.....
From the home homecoming, I dont anticipate.
Cross your heart, your a liar, go fold your hands and walk away.
While I lie awake.
How I drug this mind to get some sleep unsuccessfully,
Watching you die alone would make you, the girl of my dreams.

But instead,
the radio marches parades at,
4 am. These anthems of hopeless heartache,
serves as a timeline of my life until I fail.
In slow motion I watch you now cut the sail.

(chourus)

Cover me,
when im shivering.
Cause its cold like,
winter in upstate.
You've taken the warmth of my everyday.
Home away.....
From the home homecoming, I dont anticipate.
Cross your heart, your a liar, go fold your hands and walk away.
While I lie awake.
How I drug this mind to get some sleep unsuccessfully,
Watching you die alone would make you, the girl of my dreams.

(reapeat 2x's)

Girl of my dreams.
Never gets easier, Never gets easier.

(guest singer - Claudio Sanchez)
As she coward with sound,
behind the walls that suround this.
Let go, will you feel it this time.
Could be that woman.
The one where I owe you my life.

***GIRL OF MY DREAMS!!**

(2x's)

Girl of my dreams.
(Girl of my dreams)
Never gets easier, Never gets easier.
***GIRL OF MY DREAMS**

Never gets easier, Never gets easier.
