Annelise:

All my life i've always wanted
to have one day just for me
nothing to do and for once no where
i need to be

With no lessons, lords or lunches
or to duelist in the way
no one to say when to eat or read or leave
or stay
that would be the day

Erika:

all my life i've always wanted
to have one day for myself
not picking up with a pile of work on every shelf
with no hands in need of pressing
and no sleezing disobay
no wedding gown with a thousand stitches
to proche'
and no dept to pay
