

# Anarbor, Fly Until You Crash

When you begin to question all that you ever believed in  
Just give it a moment and before you know it  
We'll be home again, we'll be home again  
It's harder to stand than to fall  
But honestly it felt too good  
It never felt so good,  
It never felt so good to fall  
And I'd be lying if I told you  
I never knew it was coming  
But I'm tired of lying and I'm sick of trying  
We both know it wasn't worth it  
I need to hear it  
And you need to say it  
It's harder to stand than to fall  
But honestly it felt too good  
It never felt so good,  
It never felt so good to fall  
I need to hear it  
And you need to say it  
It's harder to stand than too fall  
But honestly it felt to good  
It never felt so good,  
It never felt so good to fall
