

# Anasarca, I Am

[based on "I Against I" by Anthony W. Ehlers]

I am the person who haunts your dreams  
I make it so nothing is as it seems  
I am the one who shatters all your illusions  
I'm the one who causes your confusion  
I'm the one who makes you turn on the light  
When I come and scare you late at night  
Is the truth finally coming through?  
Staring deeper into the mirror  
Have you found out that I am you ?...
