

Anastacia, Boom (World Cup Official Song)

Complicated
Understanding what you can achieve
Under-rated
The one to win
One who believes

If I go away
Would you follow me
To that special place of tranquility
Where the..
River flows
And the fields are golden
Come on, come on
Yeah

Boom
Here to rock ya
Boom
Never stop, no
Boom
Raise up high
Boom
Oh, I'm
Boom boom boom boom
Here to rock ya
Boom
Never stop, no
Boom
Raise up high
Boom boom boom boom

Heya heyah yeah heyah boom yeah yeah heyah etc.

Take no prisoners fight to win
And you will survive falling reason
Just be the flame and spirit come alive

If I go away
Would you follow me
To that special place of tranquility
Where the..
River flows
And the fields are golden
Oooh
Coooome on

Boom
Here to rock ya
Boom
Never stop, no
Boom
I'll free your mind, yeah
Boom
Boom boom boom boom
Here to rock ya
