Look at me and see a little girl inside my skin It's a supernatural Oooh So don't be trying to push upon me baby My momma told me better than that The bigger you are The harder you fall

I'm a bobby original Not typical Not ooh la la baby You can hold me responible It's chemical If you're bringin' it out in me

Aaaaaah ah aaaaaaaaaaa I'm a freak of nature You better be aware, danger Aaaaaah ah aaaaaaaaaaa I'm ur midnight angel I'm a freak Come on yeah I'm a freak of nature

I'm a little material, got bling bling My glasses got a shade Yeah But does it hit me It chicken me That barefoot walking in the grass Just cause I like sipping on champagne Doesn't mean that I'm afraid of the rain
