

Anastacia, I Ask Of You (With Pavarotti)

Whooo

Your love is like a gentle breeze upon a brand-new day

Your touch and what it does to me -like a flower needs its rain

We are like one of a kind, true love is hard to find

I can 't go on another day

Just hear me when I say

I ask of you, would you love me, if nothing else went right?

se il sole c', io chiedo di te

And I ask of you, would you hold me, forever in your life?

se ci sei, e se mi vorrai... cos

And don't let me fall,'cause I can only give my all

come ti vorrei

Here I am

con me

I ask of you

chiedo di te

Io t'appartengo e ora lo so e me lo ha detto il cuor

And nothing else matters now, with all we've been through

ecco perch nulla al mondo mai, mi porter via da te

But now before I let go, you gotta let me know

I ask of you, would you love me, if nothing else went right?

se il sole c', io chiedo di te

And I ask of you, would you hold me, forever in your life?

se ci sei, e se mi vorrai cos

And don 't let me fall,'cause I can only give my all

come ti vorrei

Here I am

con me

I ask of you

chiedo di te

I ask of you, chiedo di te... per la vita

I never really thought

I never really tbought

That you'd be all to me

Chiedo di te

That you'd be all that really matters to me

I'd give everything and all I am to you se mi vuoi anche tu

Oh baby, baby, I know you feel this way too e poi non chiedo di pi

I ask of you, would you love me, if nothing else went right?

se il sole c', io chiedo di te

And I ask of you, would you hold me, forever in your life?

se ci sei, e se mi vorrai cos

And don't let me fall,'cause I can only give my all

come ti vorrei

I ask of you

chiedo di te

I ask of you

chiedo di te
