

# Anastacia, In Summer

I wish there could be more days in summer  
I wish that autumn wouldnt come so soon  
Cause when the sun goes away  
Im left in the shade

I wish that you could warm me in the winter  
They say springtime is so beautiful  
But I see nothing but rain  
And short windy days

And I only feel safe  
When your arms are wrapped around me

So forget the clouds  
I dont feel the rain  
Even thought the four seasons may change  
I see the sun when I hear your name  
You give me a reason, a reason to start again

I love to see the leaves fall in September  
And the snow drops in December just the same  
But it leaves me in a daze  
Cant wait to see your face

And I only feel safe  
When youre arms are wrapped around me

So forget the clouds  
I dont feel the rain  
Even thought the four seasons may change  
I see the sun when I hear your name  
You give me a reason, a reason to start again

All through the year  
Long after sunny days have gone away  
You shine your rays on me

So forget the clouds  
I dont feel the rain  
Even thought the four seasons may change  
I see the sun when I hear your name  
You give me a reason, a reason to start again
