

# Anastacia, One More Chance

Can we talk a while?  
'Cause I need you  
Lord, I miss your smile  
Said, I need you  
I know I'm not the same, ya see  
If we could only be, the way it was  
Then I'd never let you go

Just one more chance  
I know I was wrong  
Don't give up so easily  
Don't you know it's killing me?  
Just one more chance, to sing this song  
I'll never let you down, no  
Just one more chance

I know that I hurt you  
Don't you realise?  
Confused, thought we were through  
Can I tell you that I, I never felt like this?  
This pain, I can't ignore  
I want you back, and I'll never let you go

Just one more chance  
I know I was wrong  
Don't give up so easily  
Don't you know it's killing me?  
Just one more chance, to sing this song  
I'll never let you down, no  
Just one more chance

It's not the way we planned it  
Or the way it's gonna be  
Just give me half a chance to make your heart believe  
'Cause I know just how you feel  
I can see it in your eyes  
There's nothing in this world  
That can tear this love apart

Just one more chance  
I know I was wrong  
Don't give up so easily  
Don't you know it's killing me?  
Just one more chance, to sing this song  
I'll never let you down, no, no, no  
No no no

One more chance  
Don't give up so easily  
Don't you know, don't you know  
It's killing me  
To sing this song  
I'll never let you down  
Just one more chance

One more chance
