

Anastacia, Thought I Told You That

verse 1

theres a boy that im into, hes so fly, so cute
i dreamt of, him every night, he had me, on cloud nine
thought i could trust him, why?, he said to me when i needed him
he was there for me, then i found out he did the same
for every girl, with a pretty face

b-verse 1

i just wanted to believe that
he was so innocent, so sweet
he did everything for me and
people told me all along, he was wrong
but i was so naive
dont let him do to you what he did to me

chorus 1

thought i told you that, he would break your heart
he was no good for you from the start
thought i told you that, he had another girl
youre not the only woman in his world
thought i told you that, he would make you cry
i dont see how you believe his lie
thought i told you that, i hate to say that i told you so
take it from me, you better leave him alone

verse 2

he played me, the whole time, thats why im warning you
im not the jealous type
cause ive already been there done that
and nothing that he says will make me want him back
it doesnt matter what he sends me
a dozen flowers or a diamond thats bling bling
its all good, but im not the one, to be staying home, while hes having fun

b-verse 2

i just wanted to believe that
he was so innocent, so sweet
he did everything for me and
people told me all along, he was wrong
but i was so naive
dont let him do to you what he did to me

chorus 2

thought i told you that, he would break your heart
he was no good for you from the start
thought i told you that, he had another girl
youre not the only woman in his world
thought i told you that, he would make you cry
i dont see how you believe his lie
thought i told you that, i hate to say that i told you so
take it from me you better leave him alone
girlfriend, im just trying to make you see
that its not about you, its not about me
you cant let him get the best of you this way
you gotta love yourself, and just walk away

(Yeah mmmm

i told you that

i know u told me that

he was not the one

i know you told me that

hes gotta goooooo)

chorus 3

thought i told you that, he would break your heart
he was no good for you from the start
thought i told you that, he had another girl

thought i told you that, he would make you cry
i dont see how you believe his lie
thought i told you that, i hate to say that i told you so

take it from me you better leave him alone
chorus 4
