

# Anberlin, Miserabile Visu

A red priest broke into our classroom  
Caught us children by attention  
Listen closely to the words I speak  
Lord knows if I'll ever, ever again be  
Spoke such words never spoken before  
On the way he declared the world  
Miracles like you've never seen  
From a man who was raised up in the sea  
A man is coming in thirteen were  
To charm the daughters and the sons  
Scared for our lives I turn to your hand  
Hold this time while we run if we still can  
What disasters may come  
Whatever it may be  
At the end of the age  
It will land you and me  
Tragedy may bring  
Whatever may fall  
At the end of the world  
You'll still be loved  
Before the red priest took his last breath  
He told me child now don't forget  
The sun will turn dark very soon  
The days are numbered when there's blood on the moon  
The earth will shake and the sky will fall  
The ice will open up frozen ground  
Don't take the son but you'll be killed  
By the man from seven years  
A man is coming in thirteen were  
To charm the daughters and the sons  
Scared for our lives I turn to your hand  
Hold this time while we run if we still can  
What disasters may come  
Whatever it may be  
At the end of the age  
It will land you and me  
Tragedy may bring  
Whatever may fall  
At the end of the world  
You'll still be loved  
Looked up into the eastern sky  
When you hear the voice, say your last goodbyes  
Look back to the eastern skies  
When the ghost take hold of the men who died  
Looked up into the eastern sky  
When your fathers weep and your mothers cry  
Looked up into the eastern sky  
What disasters may come  
Whatever it may be  
At the end of the age  
It will land you and me  
Tragedy may bring  
Whatever may fall  
At the end of the world  
You'll still be loved  
Looked up into the eastern sky  
When you hear the voice, say your last goodbyes  
Look back to the eastern skies  
When the ghost take hold of the men who died  
Looked up into the eastern sky  
When your fathers weep and your mothers cry  
Looked up into the eastern sky  
Look children to the eastern sky
