Anchorman, Grazing in the Grass

It sure is mellow Grazing in the grass
(Grazing in the grass is a gas, baby, can you dig it?)
What a trip just watchin' as the world goes past
(Grazing in the grass is a gas, baby, can you dig it?)
There are so many good things to see while Grazing in the grass
(Grazing in the grass is a gas, baby, can you dig it?)
Flowers with colours for takin', everything outta sight in the grass
(Grazing in the grass is a gas, baby, can you dig it?)
The sun beaming down between the leaves
(Grazing in the grass is a gas, baby, can you dig it?)
And the birds dartin' in and out of the trees
(Grazing in the grass is a gas, baby, can you dig it?)
Everything here is so clear, you can see it
And everything here is so real, you can feel it
And it's real, so real, so real, so real, so real, so real
Can you dig it? Wooh
I can dig it, he can dig it, she can dig it, we can dig it
They can dig it, you can dig it, oh, let's dig it
Can you dig it, baby? I can dig it, he can dig it
She can dig it, we can dig it, they can dig it, you can dig it
Oh, let's dig it, can you dig it, baby?
The sun beaming down between the leaves
(Grazing in the grass is a gas, baby, can you dig it?)
And the birds dartin' in and out of the trees
(Grazing in the grass is a gas, baby, can you dig it?)
Everything here is so clear, you can see it
And everything here is so real, you can feel it
And it's real, so real, so real, so real, so real, so real
Can you dig it? Wooh, yeah
I can dig it, he can dig it, she can dig it, we can dig it
They can dig it, you can dig it, oh, let's dig it
Can you dig it, baby? I can dig it, he can dig it
She can dig it, we can dig it, they can dig it, you can dig it
Oh, let's dig it, can you dig it, baby?
I can dig it, he can dig it, she can dig it, we can dig it
They can dig it, you can dig it, oh, let's dig it
Can you dig it, baby?
I can dig it, he can dig it
(Grazing in the grass is a gas, baby, can you dig it?)
She can dig it, we can dig it
They can dig it, you can dig it
(Grazing in the grass is a gas, baby, can you dig it?)
Oh, let's dig it
