

# Ancient Ceremony, Cemetary Visions

Why did you go? Why?  
As my Feet step down on this Place of Coffins  
Desperation is my Leader  
Surrounded by the Whispering of Immortal Souls  
Tears, in Black, falling down to the Ground  
like Flakes of Snow did in this Night,  
the Night you went away  
Melancholic Thirst for  
Cemetary Vision of my Love  
Oh Love, my Love  
Life, my Life  
became so worthless since you're gone  
So I call forth your Soul  
Screams in Necromantic  
Hallucinative Begging  
Now you rise!  
Contoures start painting your Picture  
Dream or Reality?!  
I see you smile  
As I aim for your Hand  
Emptieness fades me away  
My Decision is sealed  
Cemetary Vision of my Love  
We will find Peace when I'll paint  
the Picture of the rising Moon - in my own Blood  
Audite denuo vota mea, custodes animarum  
Devotio simul redemptio absolutioque erit  
Venite nomine Adonai, Zebaoth, Adonai, Amioram!  
Accipite me, vitam meam, animam meam!
