Ancient Ceremony, Forbidden Fruit Sapientia

I am the Serpent that brought Knowledge to Mankind The Fountain of Thy conscious Divinity

Deepest Temptation of all Times granted these Fruits of Wisdom I - the Bringer of darkened Arts, born to spread Illumination A Creature with burning Heart, bearing in my essential Spirit the Flame of Perpetuality

Pass the Gate and follow me into the Realm of Pride and Glory Thy Eyes there may Witness hidden Treasures of gleaming Stars Promethean Ritual celebrated The Sword of Flames now burns in everlasting Sin Sinister Seduction of the Cherubim Listen! Their Harps play Symphonies composed in Strength and Wilt

I kiss Sapientia's bleeding Breasts and taste Her forbidden Fruit We now unite in the divine Lust of secret Intercourse

"Thou shall be Gods! Be embraced, oh my children, my beloved Breed Sing with me this blackened Aria to smash Devotion spread by Those holy and weak!"
