

# Ancient Ceremony, Litanies in Blood

Litanies in Blood I write  
As Prayers of Supremacy  
My Paper is the Skin of Mortals  
Like the Cuts of hundred Needles in their Head  
My Feather on it is burning

When Children are brought to the Altar  
Grap their Hearts and offer them to me  
Diabolical Donation  
To get fed with Perpetuality

When Darkside is calling  
Open the three Books  
To read and learn  
Now Flesh becomes My Word  
And Word becomes My Flesh

Ego te baptiso in nomine Satanas!

Taste the Devil's Nectar  
Drink the Serpent Blood  
Wilt is the dark Flame of the Universe  
As we pass the fiery Gates  
Hand in Hand with fallen sixwinged Seraphim  
In this sinistrous Night  
Where an Eidolon named "Might"  
On a Black Throne reigns upright

I welcome Thee  
Walkers in velvet Spheres  
My Passion's Daughters and Sons  
Here is Thy deserved Dominion

Corpus Sanguinarius Satanicum
