The Calling Of Nocturnal Demons

Come forth, possess me
Servants of Satan
In this night I'll dethrone him
The king of the jews
Rise, enchant me
Grasp my soul
Incantation of Fire
Consumes the light
Greet the Flames, disciples of christ
By the Flame in my soul
I gaze through this world
Come forth, possess me
Servants of Lucifer
Bring me Thy strenght
Infernal Chaos
As I summon the Demons of Yours
By the Flame in my soul
I'll drown this world in blood
