

And Oceans, Picturesque: Cataclysm Saviour: And

Picturesque: Cataclysm Saviour: And The Little Things That Make Us Smile
Savour!

The things that never were!

Escape!

To/from reality!

That never was!

That never will be!

Prohibit!

All the little things!

Crawl!

Into serenity!

That could've been!

That will never be!

[Chorus:]

Smile - I said smile you slime

Smile!

It's all falling apart!

Plunge!

Into catastrophe!

That was today!

That remains the same!

[Chorus]

It's all falling apart

[Chorus]
