And One, Only You (Live)

Looking from the window above It's like a story of love Can you hear me? Came back only yesterday Moving further away want you near me. All I needed was the love you gave All I needed for another day And all I ever knew, only you. Sometimes when I think of your name when it's only a game and I need you. Listening to the words that you say, it's gettin' harder to stay When I see you All I needed was the love you gave All I needed for another day And all I ever knew, only you. All I needed was the love you gave All I needed for another day And all I ever knew, only you. This is gonna take a long time and I wonder what's mine, can't tell no more. Wonder if you understand it's just the touch of your hand behind the closed door. All I needed was the love you gave, all I needed for another day and all I ever knew, only you.
