

And One, Rearming Strafbomber

this is a special core
bodies creeping on the floor
and the rats are falling into regret again

dont lose your restless power
respect your masters glower
and the rats are falling into regret again

we fighting for the rest
the government shows herself impressed
and the rats are falling into regret again

whos watching over you
guardian angels out of view
and the rats are falling into regret again

so why cant we perfectly study
danger danger
at last every queen has to run, buddy!
danger danger
