

And Then I Turned Seven, Unforgettable Night

I'm speechless, so impressed
I've forgotten all my pain
Your presence, in essence
makes it go away
Please take the seat next to me
You're just a stranger to me
but somehow you've changed how I think
You saved me from my past
with just a harmless dance
Sedated, I hate it,
too afraid to make a move
You're so friendly, the night's ending
and I haven't made a move
Please can I see you again
I don't want this night to end
Falling from your heart-shaped noose
that my dull teeth helped cut me through
Falling fast, into your arms,
the night's so cold, the air's so warm
