

# And Then I Turned Seven, Unforgettable Night

I'm speechless, so impressed  
I've forgotten all my pain  
Your presence, in essence  
makes it go away  
Please take the seat next to me  
You're just a stranger to me  
but somehow you've changed how I think  
You saved me from my past  
with just a harmless dance  
Sedated, I hate it,  
too afraid to make a move  
You're so friendly, the night's ending  
and I haven't made a move  
Please can I see you again  
I don't want this night to end  
Falling from your heart-shaped noose  
that my dull teeth helped cut me through  
Falling fast, into your arms,  
the night's so cold, the air's so warm
