And You Will Know Us by the Trail of Dead  
Miscellaneous  
Aged Dolls

Drip... drip on to the tombs of the soulless...  
Drip on to your aorta...  
Drip as fiery cinder  
On to this sweltering town  
No one gives a damn about your end...  
This is something you can count on  
Drip down onto my forehead  
On to my aorta  
Drip as fiery cinder  
Onto the sweltering town  
So I'm sweet on you  
I am transparent  
So I'm sweet on you  
I am a motherfucking ghost...  
(To amuse... to seduce...)
