

Andain, Here Is The House

Here is the house
Where it all happens
Those tender moments
Under this roof
Body and soul come together
As we come closer together

As it happens it happens here in this house

And I feel your warmth
And it feels like home
And there's someone
Calling on the telephone
Let's stay home
It's cold outside
And I have so much
To confide to you

With or without words I'll confide everything
