Hold On To Love  
There you have it  
You see this love regretting  
There's something wrong again  
But you had it  
In the palm of your hand

Your heart has started bleeding  
You gotta get out  
You're leaving  
You're on your own forever

It's not the space or time or whether  
You can leave  
You want You can't have  
You need You can't touch  
You plead It's enough, enough

There's something happening to ya  
Love can see right through ya  
In a world of make believe  
Don't go throwing it all away

Hold on to love  
Hold on to love  
Treat it as a good thing  
Be always ready  
With that electric feeling

You work so hard  
To be in love with her  
She tries so hard  
You gotta let it go

Hold on, hold on  
Hold on, hold on

The more and more you hear it  
The more it seems to make sense  
To hold love in the palm of your hand

But you think that round the corner  
They're queuing up to hold her  
But that won't make a difference in the end

There's not the space or time or whether  
You can leave  
You want You can't have  
You need You can't touch  
You plead It's enough, enough

There's something happening to ya  
Love can see right through ya  
In a world of make believe  
Don't go throwing it all away  
Hold on to love  
There's nothing more important  
Treat it as a good thing  
Be always ready  
With that electric feeling

You work so hard  
To be in love with her  
She tries so hard  
You gotta let it go

Hold on, hold on  
Hold on, hold on  
Hold on, hold on

- Solo -

You work so hard  
To be in love with her  
She tries so hard  
You gotta let it go

Hold on, hold on  
Hold on, hold on  
Hold on, hold on

Hold on to love  
There's nothing more important  
Hold on to love  
Don't let it pass you by  
Hold on to love  
There's nothing so important  
Hold it in the palm of your hand  
Yeah, yeah

Hold on to love  
There's nothing more important  
Hold on to love  
Don't ever let it pass you by

Hold on to love  
Hold on to love  
Treat it as a good thing  
Treat it as a good thing  
Treat it as a good, good thing
