Oh Holy Night
(Traditional)

Oh, holy night
The stars are brightly shining
It is the night of our dear savior's birth

Long lay the world
In sin and horror crying
Till He appeared
And the soul felt more alive

The thrill of hope
The weary world rejoices
For yonder breaks
A new and glorious morn

CHORUS
Fall on your knees
Oh, hear the angel voices
O, night divine
O, night when Christ was born

Truly he taught us
To love one another
His law in love
And His gospel in peace
Chains shall He break
For the slave in our brother
And in His name all oppression shall cease

Sweet hymns of joy
A grateful chorus sing we
Let all within us praise His holy name

CHORUS

O night divine
O night when Christ was born

O night divine
O night
O night divine
O night divine
O night divine
