

# Anderson Jon, Under The Sun

Anderson Jon  
Change We Must  
Under The Sun  
(Jon Anderson)

I may not always be the one  
But until something comes along  
It's never easy but I know  
Without you where would I go?

I may not always stoop to win  
Cause we can change how we begin  
I won't deny my brothers sight  
Without them how will I fly?

Same chance  
Same time  
Come along

How can I tell yo uwhat to be  
When you're the best judge of yourself?  
You hold a power so unique  
You have the power to change your world

Same chance  
Same steps along the way  
Same chance  
Same time

I may not always be the one  
But until something comes along  
It's never easy but I know  
Without you where would I go?

You may not always see me win  
Doesn't mean I won't be dreaming  
I can stand as tall as the sky  
With this feeling

Wanting only just to be with you  
Same time  
Same place under the sun  
Same chance  
See, it's almost there!  
Wanting only just to be with you  
To be near you this time
