Anderson Laurie  
Strange Angels  
Baby Doll

I don't know about your brain-  
but mine is really bossy  
I come home from a day on the golf course  
and I find all these messages  
scribbled on wrinkled up scraps of paper  
And they say thing like:  
Why don't you get a real job?  
Or: You and what army?  
Or: Get a horse.  
And then I hear this voice  
comin from the back of my head Uh huh  
(Whoa-ho) Yep! It's my brain again  
And when my brain talks to me, he says:

Take me out to the ballgame  
Take me out to the park  
Take me to the movies  
Cause I love to sit in the dark  
Take me to Tahiti  
Cause I love to be hot  
And take me out on the town tonight  
Cause I know the new hot spot. He says:

Babydoll! Ooo oo oo Babydoll Ooo He says:  
Babydoll! I love it when you come when I call  
Babydoll! You don't have to talk I know it all  
Babydoll! Ooo oo oo Babydoll Ooo

Well I'm sitting around trying to write a letter  
I'm wracking my brains trying to think  
of another word for horse  
I ask my brain for some assistance.  
And he says: Huh...Let's see...How about cow?  
That's close. He says:

Take me out to the ballgame  
Take me out to the park  
Take me to the movies  
Cause I love to sit in the dark  
Take me to your leader  
And I say: Do you mean George?  
And he says: I just want to meet him  
And I say:  
Come on I mean I don't even know George!  
And he says:

Babydoll! Ooo oo oo Babydoll Ooo He says:  
Babydoll! I love it when you come when I call  
Babydoll! You don't have to talk I know it all  
Babydoll! Ooo oo oo Babydoll Ooo

Babydoll! Babydoll! Ooo oo oo  
Babydoll! Babydoll! Ooo oo oo  
Babydoll! Babydoll! Ooo oo oo
