Beautiful Red Dress

Well I was down at the Zig Zag  
That's the Zig Zag Bar & Grill  
And everybody was talking at once  
and it was getting real shrill.

And I've been around the block  
But I don't care I'm on a roll - I'm on a wild ride  
Cause the moon is full and look out baby -  
I'm at high tide.

I've got a beautiful red dress  
And you'd look really good  
standing beside it..  
I've got some beautiful new red shoes  
and they look so fine  
I've got a hundred and five fever  
and it's high tide.

Well just the other day I won the lottery  
I mean lots of money  
I got so excited I ran into my place and i said:  
HEY! Is anybody home?  
Nobody answered but I guess that's not too weird  
Since I live alone.

I've got a beautiful red dress  
And you'd look really good  
standing beside it..  
Girls?  
We can take it And if we can't  
we're gonna fake it  
We're gonna save ourselves  
We're gonna make it And if we don't  
we're gonna take it  
We're gonna save ourselves  
Save ourselves

Well they say women shouldn't be  
the president  
Cause we go crazy from time to time  
Well push my button baby here I come  
Yeah look out baby  
I'm at high tide

I've got a beautiful red dress  
and you'd look really good  
standing beside it..  
I've got a little jug of red sangria wine  
and we could take little sips  
from time to time  
I've got some bright red drop dead lips  
I've got a little red card  
and mechanical hips  
I've got a hundred and five fever!!!

OK! OK! Hold it!  
I just want to say something.  
You know, for every dollar a man makes  
a woman makes 63 cents.  
Now, fifty years ago that was 62 cents.  
So, with that kind of luck, it'll be the year 3,888  
before we make a buck. But hey, girls?

We can take it And if we can't  
we're gonna fake it  
We're gonna save ourselves  
save ourselves  
(Yeah tell it to the judge)  
We're gonna make it And if we don't  
we're gonna take it  
We're gonna save ourselves  
save ourselves  
We've got a fever of a hundred and five  
and look baby  
It's high tide.

Well I could just go on and on and on...  
But tonight  
I've got a headache
