Hey little darlin,  
I'm comin your way little darlin  
And I'll be there Just as soon as I'm  
all straightened out  
Yeah just as soon as I'm  
perfect.

Some things are just pictures  
They're scenes before your eyes  
And don't look now I'm right behind you  
Coolsville Coolsville  
So perfect So nice

And down by the ocean  
under the boardwalk  
You were so handsome we didn't talk

She said:  
Oh Jesus, why are you always  
in the arms of somebody else?  
He said:  
Oh man! I don't need anybody's help  
I'm gonna get there on my own.
