Anderson Laurie  
Bright Red  
Freefall

You're out on the ocean and you get pulled down  
Freefall to the bottom  
Like when you're drowning or falling asleep  
You get turned around  
And when you think you're swimming to the surface  
You're swimming straight down.  
Down to the bottom. All the way to the bottom.

Secret codes and cryptograms  
I'm lost in your words I'm swimming.  
We're going down to the bottom. All the way to the bottom.  
Rapture of the deep.

I got your letter. I couldn't read it. It was a cryptogram.  
Did it say Take me with you or Take me as I am?  
We're going down to the bottom.  
All the way to the bottom. We get turned around.  
There is another world spinning inside of this one.

I remember where I came from  
There were tropical breezes and a wide open sea  
I remember my childhood  
I remember being free.

Down to the bottom.  
All the way to the bottom. We get turned around.  
There is another world inside of this one.  
Rapture of the deep.

We're going down to the bottom.  
There is another world spinning inside of this one.
