

Anderson Laurie, Let X=x

Anderson Laurie
Big Science
Let X=x

I met this guy - and he looked like might have
been a hat check clerk at an ice rink.
Which, in fact, he turned out to be. And I said:
Oh boy. Right again.

Let X=X. You know, it could be you.
It's a sky-blue sky. Satellites are out tonight.
Let X=X.

You know, I could write a book. And this book would
be think enough to stun an ox. Cause I can see the
future and it's a place - about 70 miles east of
here. Where it's lighter. Linger on over here.
Got the time? Let X=X.

I got this postcard. And it read, it said:
Dear Amigo - Dear Partner.
Listen, uh - I just want to say thanks. So...thanks.
Thanks for all the presents. Thanks for introducing
me to the Chief.
Thanks for putting on the feedbag. Thanks for going
all out.
Thanks for showing me your Swiss Army knife.
and uh -
Thanks for letting me autograph your cast.
Hug and kisses. XXXXOOOO.
Oh yeah, P.S.
I - feel - feel like - I am - in a burning building - and I
gotta go.
Cause I - I feel - feel like - I am - in a burning
building - and I gotta go.
