Sharkey's Night

Sun's going down  
Like a big bald head  
Disappearing behind the boulevard.

It's Sharkey's night.  
It's Sharkey's night tonight.

And the manager says:  
Sharkey? He's not at his desk right now  
Could I take a message?

Hey Kemosabe!  
Long time no see  
Hey Sport -  
You connect the dots!  
You pick up the pieces!

Well I drove down to Big D.C.  
And I walked into Room 1003  
And there they were  
The Big Boys.  
And they were talking  
Big B  
Little O  
Little M  
Silent B  
They were saying:  
Let's teach those robots how to play hardball.  
Let's teach those little fellas a little gratitude.

Hey!  
What's that big noise from the sky?  
Sounds like thunder -  
Nope.  
Sounds like the Fourth of July -  
Nope...Wrong again.  
You know? It's just those angels walking  
They're clomping around again  
Wearing those big clumsy shoes  
We got for them.

Well deep  
In the heart  
Of darkest America  
Home of the Brave

Well HA  
HA  
HA  
You've already paid  
For this  
Listen to my heart  
Beat.
