

# Anderson .Paak, Am I Wrong (feat. ScHoolboy Q)

I'm only coming out to play  
Nothing more that I hate in this life  
The wrong impression, I only have one to make  
You can open your palm  
Waiting to catch a break  
The cards will fall where they may  
And what about me?  
I believe in fate  
They wanna know where I'll be in five  
What about today?  
What about tonight?

Only one at a time  
So precious  
Is your  
Is mine  
Only one at a time  
My life, my life

Am I wrong to assume  
If she can't dance  
Then she can't ooh?  
/2x

Hey  
I never wanna waste your time  
My life  
So precious  
Is your  
Is mine  
At look at the time, my God  
So precious  
Is your  
Is mine
