

Anderson .Paak, CUT EM IN (feat. Rick Ross)

CUT EM IN

Okay!

Sometimes you need a friend

Not the ones that just show up and don't put nothin; in

You know

The ones that lend a hand and wanna see you win

When you come up on a lick

Make sure you cut 'em in

cut 'em in

and then, uh

Sometimes you need a friend

you need a foe

on that keep yoour eyes open

keep your on your toes

keep your on your toes

you know the ones

that wanna keep you where you been before

been before

bt i can't go

no i can't go!

No i can't go!

No i can't go!

And whoa, uh!
