

Andre 3000, Oh, Peanut

Oh Peanut, we love you, baby
Oh Peanut, we love you, baby
Oh Peanut, we love you, baby
Oh Peanut, we love you, baby
Oh Peanut, we love you, baby
Oh Peanut, we love you, baby
Okay, yeah, yeah, what?

I wrap my steak, might as well throw it out
See, I been eatin' peanuts since I was two
May I recommend the sauce or a soup, scoop

Peanut butter, yeah, on peanut bread, yeah
Peanut with some jelly and crackers in the middle, alright
I'd been eating peanut and stuff since I was little
Bang head, Li'l D, Madison, play your fiddle, ditto
Oh Peanut, we love you, baby
Oh Peanut, we love you, baby
Oh Peanut, we love you, baby
