

Andre 3000, She Lives In My Lap

What's wrong? What are you afraid of?

The love below

She stays alone, never sheds a single tear

She stays in the coolest moods, clearly woman of the year

She and all her girlfriends, they go out dressed to win

She comes back to the cooler side of town but she lives in my lap

She lives in my lap

She lives in my lap

She lives in my lap

She lives in my lap

She lives in my lap

She lives in my lap

Forever my fiance

She lives in my lap

Don't need no chain

She lives in my lap

I'll get the courage one day

Make me want you, make me miss you

make me wonder where you are, then forget you

Girl remind me, just who we are

We're oh so close, but yet so far

Baby why are you acting like this?

I don't care about any of them

I care about you, baby I love you

You've got me open wide

(I love you)

Just come inside

(Baby)

It's yours

(It's yours)

I'm yours

(I'm yours)

For sure

(For sure)

Play baby play
