

# Andre 3000, The Crayon Song

Everybody do the crayon, crayon  
Everybody do the crayon, crayon  
Everybody do the crayon, crayon  
Everybody do the crayon, crayon  
Black or blue, purple or yellow or red  
Say we're all in this box together, oh yeah, oh yeah  
The world is like a coloring book  
To get the whole picture each other it took so  
Everybody do the crayon, crayon  
Everybody do the crayon, crayon  
Everybody do the crayon, crayon  
Everybody do the crayon, crayon
