

# Andre Nickatina, Cobra Status

My drug ...(?) cuz they come in flocks  
I can't sleep cuz when I do I think the game gon' stop  
So I'm awake like an owl at a quarter to three  
I hit your window with a nickel, whatsup baby it's me

Where I'm from we hate cops like we were bred to do it  
Believe in Nike signs and gettin' high, so bitch just do it  
Right or wrong over right, we'll disobey  
Smokin' weed, plottin(?) greed, listenin' to Shaday

Man I hustle all day, eatin' cat fish and stapper  
Battle everyday and gat clappers to rappers(?)  
Tryin' ta have paper from the bottom to the tip  
Two words I can't resist, motherfucker or bitch  
I lost a few nickels but I never drop dimes  
Huh, Pisces is the rap sign

Cobra Status!  
Swingin' like the man from Atlantis  
A ho(?) like Houdini, but like Houdini I will vanish  
Baby wuz nineteen with a big ol' ass  
Shit, (?) gave a nigga whiplash

Don't ask me for money because I'm not gonna share it  
Smokin' weed from Bob Marley cuz ...(?)  
You best hope this wax don't cut you  
Hope one time don't bust you  
This style will finger fuck you  
And partna I just cant trust you  
Cobra Status!

Recognize game when it's on your mind

You and that bitch playin' Andre rhymes  
...(?) situation like an SP-12  
Go to hell, I made bail, Nigga fresh outta jail

With the look of a replican, shit gets deep  
Already gunnin' up, and man I'm bumpin' the beat  
Real pimp shit all in your bra  
But it wuz me with this my little cousin Bobby Shaw

Cobra Status!  
Nigga I'm the lost pimp of Gladis  
Colder than a 40 heart that's shaken like a habit (?)  
Nigga I'm a hawk, you a forest bunny rabbit  
My crew stay true but we can also get savage

Cobra Status!

Bitch don't call me unless the party iz packed  
And gangsta shit iz bumpin' on every track  
Nigga them dice ain't got no love  
Shakin' like a nigga scared behind his gun

Cuz see I tick like time and man I time like tick  
Man niggas don't forget it that we sure don't forget it  
It's your recieva, your 6 feet n ova ...(?) ice creama  
Rollin' chewy in a beama

With a poetic passion  
And a functional fashion  
Full tank of gas  
And man I'm mashin'

Speed like a Z/28 tennant crow(?)  
Look if you want  
Your reflection will show  
Cobra Status!
