Da Whip

-Andre Nickatina

sittin on leather thats all
better than the cow that it came from
i like to go fast i like to blow hash
you like a women 'cause you way bad
the only thing i really give you is all your water and gas
you roll around the block
i let your voice knock
and other girls get jelous at the bus stop
its like a party when we got to hit the car wash
i pancake you all up like ihop
and then i work on your voice at the beach shop
the work will see you come through when their knees knock
you aint been wit no body before
and i know be'cause i got you off the show room floor
we dont double date wait we go dutch
your automatic to me you i can never touch your clutch
the pictures are perfection when you see us roll up
i dont even have a freak out doin donuts
i grip the steerin wheel like i grip a gang of paper
baby got an attitude man from all scrapers
we bet against the lakers
wake up all the neighbors
my whip is not a taxi we dont do favors
i said if your skinny i said if your thick
i just washed it dont scratch the whip
dont scratch the whip

-Equipto

man dont scratch it
'less you got scratch to match it
seen in zig zag through traffic
CAPRICE CLASSIC classic
dont drive wreckless
often liqour you scratch the rims up
and knowin this pimps up hoes down
you smashin thru the whole town
and po po's say slow down
everyday mash the gas like i just dont care
when i blow i ask the blunt any where
im a left lane ride to the next day
i pull a hudini if i wanna escape
roll like an essay still yell at whors
dont scratch the whip bitch
this shit aint yours
came back off tour with your front in tore
i had to smash the rental to the instore
baby was sore on all fours
no mi amors
dont scratch the whip bitch
this shit aint yours

-Andre Nickainta

-Shag Nasty

i wish a hoe would scratch my whip
hell yea ima act up and start to trip
some niggas might let you get away wit that shit
but a mac like me would say bull shit
ima reach back like a pimp and bust a hoe lip
'cause i work too damn hard for this shit
candy paint stickin rims like black diamonds
coke white interior wood grains shown im shinin
in the trunk them 15's on the back
the shit cost g's now mothaf**ka can you buy that
i thinks not so you hoes better check yourself
for you f**k around and wreck yourself
f**kin wit a nigga whip could be hazordous to health
get hurt quick find your self by your self
'cause a freinds ride is like a niggas best freind
if you f**k wit that you f**kin wit him
so dont do it
